## Description

### 4th Floor – 200 sqm in Zone 313 Office Building

## Natural light, advanced HVAC, and expansion option

Located on the 4th floor of Zone 313 Office Building, this office space offers the perfect mix of modern functionality, technical comfort, and expansion flexibility.

With a total area of 200 sqm, the unit can be extended by adding the adjacent space, reaching approximately 300–400 sqm GLA, depending on the tenant's needs.

The current layout is partitioned, including office rooms, a reception area, meeting space, and a private restroom.

Access is provided through staircase A, served by a modern 6-person lift.

The building features a high-efficiency HVAC system based on heat pumps with ceiling-mounted fan coil units, complemented by a ventilation system with heat recovery — ensuring excellent indoor air quality, comfort, and energy performance.

Ideal for medium-sized or growing companies, this office provides a professional and flexible environment in the heart of the Barbu Văcărescu – Pipera business district, one of Bucharest's most dynamic office hubs, close to Promenada Mall and Aurel Vlaicu metro.
